

UNITED STREAMING

The MISD has agreed to purchase a one year access license for our teachers at the Academy, High School, Middle School, Krause Early Elementary, and Krause Later Elementary. You will have access to over 2,000 educational videos on this website. The web site address is: <http://unitedstreaming.com>

Each Building has their own passcode to register for the appropriate building. Please use the passcode that is appropriate for your building:

Academy: 76E8-77F8

High School: E6ED-4A45

Middle School: A182-2A9A

Krause Early Elementary: A183-4853

Krause Later Elementary: ADB8-CAB2

There are screenprints to guide you through the registration process, and also how to access the video library. Please take the time to review this information.

The videos that are available are listed in the following categories:

Art

Chemistry

Early Childhood

Earth & Space Science

Health & Guidance

Language Arts/Reading

Life Science/Biology

Mathematics

Physical Science

Practical Skills

Professional Development

Science Skills

Social Studies

Study & Research Skills

Vocational Educational Careers

World Languages (Contains French and Spanish Videos)

The first screen you come to looks like the following screen print. If you go down towards the bottom left side of the screen, you will see a space to enter a passcode.

Once you enter your passcode of E6ED-4A45, you will see the following screen appear:

Welcome to unitedstreaming!

Please take a brief moment to complete the following form so that you can create a user account of your very own.

Once your login has been created, we will automatically log you into the unitedstreaming site.

NOTE : Fields marked with a * are required.

Name :

Title :

School or Organization : Armada

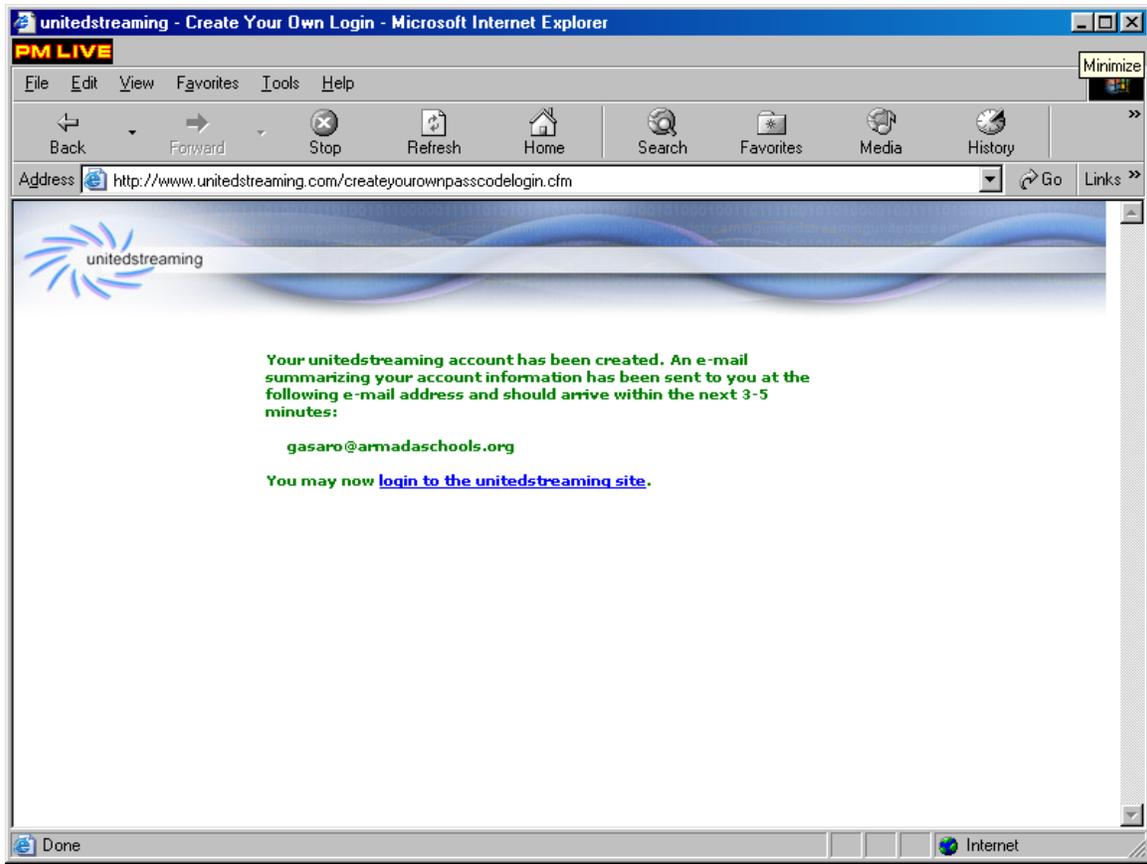

Address Line 1 :

Address Line 2 :

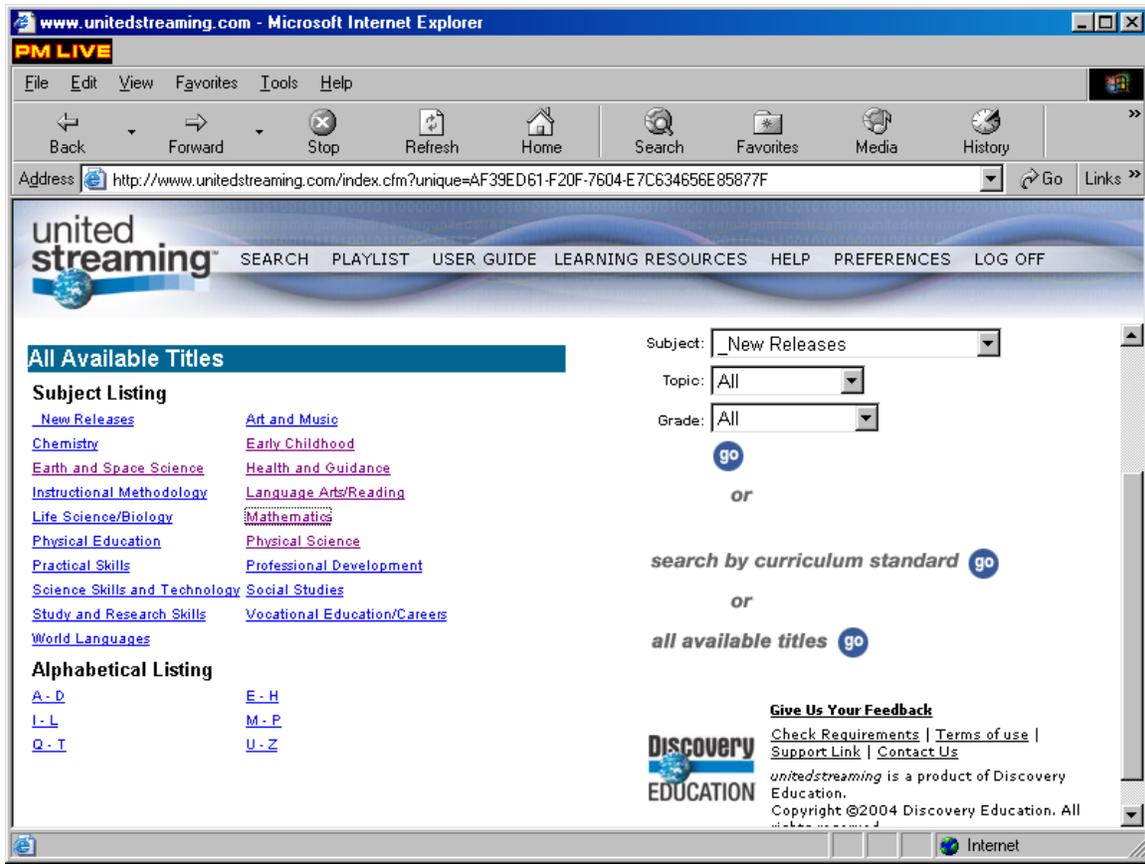

City :

State / Province : *

Internet

You will then see a screen that says that you are registered and will receive an e-mail with your registration information.

If you do a search of all titles, the above screen shots shows you the different curriculum areas. Many of the videos come with a “Teacher Guide,” which is written in Adobe Acrobat Reader. (Adobe Acrobat Reader is free to download from www.adobe.com if you do not already have it on your computer.) The following screen print shows you some of the “Mathematics” video library.
